

SPONSORSHIP/DONATION REQUEST FORM

TS Bank is committed to giving back to the community through charitable donations, sponsorships, and employee volunteerism. The community, for giving back, is defined as the market area where TS Bank's branches are located.

Donations and sponsorships are funded on a budgeted basis. Preference is given to:

- 1) Youth activities through school and community organizations,
- 2) Charitable organizations serving communities in which TS Bank employees serve in leadership, and
- 3) Organizations that have or are developing a banking relationship with TS Bank.

A small fund is set aside for new requests that qualify and are distributed on a first come, first serve basis during the fiscal year. To be considered for the upcoming year, applications for new requests need to be submitted by October 15.
